**Dear Pete, Tom & all at Fastway**

**We just wanted to convey our thanks and praise for a truly wonderful job that you did for us over the Christmas period.**

**November and December are crucial months here at everywine.co.uk as our business increases significantly during the festive season. It made a real difference to us and to the operation of our business by having Fastway on board as our first choice courier.**

**Thank you very much for your continued effort and hard work, and we look forward to a strong and prosperous working relationship in 2009 and indeed the future.**

**Very Many Thanks,**

**Helen & the everywine.co.uk team**
