Dear Sirs

Re: Fastway Couriers

We wish to confirm that PTC Traffic Ltd uses Fastway Couriers for all our UK and Ireland deliveries and are extremely happy with the service they provide on our behalf.

We have been in business for over 10 years and have used most of the major courier companies at some stage. We have found Fastway to be the most reliable of these companies and in fact several of our customers have now started using Fastway themselves due to the level of customer service they have experienced when receiving deliveries from ourselves.

We would also like to highlight that the incidents of mis-sorting and accidental damage of our consignments has also been significantly reduced since moving over to Fastway and we are now planning to use them for all our European shipments.

We have no hesitation in recommending Fastway Couriers to any business. Should you wish to contact us directly, please do not hesitate to contact us on the numbers above.

Yours faithfully
